HAPPY HANUKKAH, MERRY CHRISTMAS!

Ms Nar and Boris wish you and yours happy holidays and a prosperous New Year.

BORIS'S BULLETIN BOARD

THOUGHT FOR THE MONTH: "California officials estimate that smog-making emissions from one of today's lawn mowers equal those from 40 new cars." ---California Air Resources Board

The dates for WBC II have been announced. They are 1-6 Aug 00 at the Marriott in Hunt Valley, MD. The dates of WBC III have also been announced as 26 Jun-1 Jul 01 again at the Hunt Valley Inn. WIZARD'S QUEST will not be in the main 100 in 2000, having fallen 2 short of the qualifying 16 last year, but I'm planning on running it again as a "trial" event, hoping to snag 16 entrants and making the cut for 2001.

Chris Trent is launching his own DIP 'zine. *The Dragon* (didn't TSG have a magazine called that?). The first three issues will be free and there will be no game fees for the inaugural games. After that, it'll be 50¢ an issue with game fee of \$5, good for the life of the game. Initially the zine will only offer DIP and Chris's own Northern California DIP. See p 19 for Chris's address.

The 4th Annual Chattanooga Rail Gaming Challenge will be held 14-16 Jan 00 at the Best Western Heritage Inn, Chattanooga, TN. Fees \$25 in advance, \$30 at the door. Daily admissions available. No event fees. Action begins 1 PM Friday. Contact Mark Derrick, 8601 Glenaire Dr, Chattanooga, TN 37416-1546; 423-344-0638 (before 10 PM); derrick@chattanooga.net; <http://home.chattanooga.net/~derrick/gaming.htm>.

Looking for that AH game you loved so much but the cat destroyed? Check out the website at <http://www.amazon.com/exec/obidos/tg/toys/browse/toys-leaf-page/-/194009/0/002-5630417-8969007>. Follow the "More Results" to see about 20 AH games for sale including AOR, We the People, Titan, Rail Baron, Blackbeard, Colonial Dip, The Civil War Series, B17, The Smithsonian series games etc. Thanks to John Butitta for the tip!

James Kanne (Boris XIII) would like to run CLUE by mail. Basically no dice, simultaneous movement to adjacent rooms or hold with the possibility of being moved after by a suspicion. Also the extra cards for motive. Contact him for details, and let us both know of any interest.

BOOS & KUDOS

This month's Madame Bolduc Press Excellence Award (& free issue) goes to the author of the article dated Genevieve in "Boris XIII".

This month's Ms Nar Super-Sunday Bomb is lobbed at Mike Scott & TJ Klausutis for extremely late orders.

1998!

Fall 1918

ERRATA: Russia built A SEV, not P SEV.

MINAS MORGUL: By dislodging Russian F NRQ, Britain has left LPL open to occupation in the Spring. True, it could be liberated easily in the Fall, albeit by diverting 2/3rds of the fleet from guarding the eastern approaches. The Tsar has totally crushed the infiltrating French raider and is now free to turn his attention on Germany. Can France snag enough centers on the Med and Black before Germany falls?

Russia wonders what he has done to incur the wrath of Ms Nar. Surely Ms Nar meant this missive for someone else. And isn't it spelled "Pththth"?

Boris-Tsar: Believe me, it doesn't take much these days.

BORIS WORLD PRESS REVIEW

GENEVA: Switzerland - ... On a more humorous if not embarrassing note, his Majesty's representative to the Peace Conference has been late on numerous occasions. So many times has he strolled in, trying to appear unnoticed that not only are the other participants ignoring him now but they are even beginning proceedings without him. One can only wonder if he's actually enough a halfwit to show up late for the final vote.

KLENDATHU: A war-weary Europe trudges slowly toward an apparent 5- or 6-way draw. The orphaned German army should not survive the year. Russia still holds the advantage, but the Anglo-French lock-step will be difficult to push back without a similar Russo-Italian accord. And what of Turkey?

Lon-Ank: I'm comin'! I'm comin'!!!

Countess Sara declares Rome an Open City, and assures the World that no fighting will be conducted in The Eternal City. "We only wish to toss two coins into the Trevi Fountain. And our Corps of Engineers would really like to do something about that tower in Pisa.

Russia the incarnation of evil, ya sure you betcha, Let's just call this a draw and start a new one Ok? Not much of a game when certain powers have an off board alliance that precludes any stabs.

Turkey to Italy - I suspect you and Russia are working together however I do not wish to see him get a new army to face me in Moscow. I hope you remember the assistance rendered.

Turkey to England - Your priority on Germany is understood and we welcome your assistance against Russia.
